Our goal

Our main objective at the Center of Workforce and Staff Development is to develop and educate our staff to embrace the SSMC culture and values, and ensure their professional development.

Our services

- Facilitate the coordination of internal and external training/conference requests from all staff.
- Oversee the process of accessing the Professional Development fund.
- Oversee mandatory courses and facilitate them with the concerned departments.
- Oversee SSMC's learning management system and monitor the development of content.
- Provide internship and work placements for non-clinical students (Tamheed).

Our commitment

We are committed to developing, providing and promoting excellence in staff development programs that meet the needs of all SSMC staff.
