## Welcome to the Sheikh Shakhbout Medical City's (SSMC) Health Sciences Education Center where exceptional care meets the highest standards of excellence.

We take pride in offering a wide range of health care services to our community, delivered by a team of dedicated professionals. In this brochure, we would like to introduce you to our allied health departments and the invaluable services they provide.

At SSMC, our allied health departments play a pivotal role in supporting patient care and enhancing overall wellness. Staffed by highly skilled specialists, these departments encompass a diverse range of health care disciplines that work collaboratively with our medical teams to provide comprehensive care and improve patient outcomes.

Within our allied health departments, you will find a wealth of expertise. The Center of Health Sciences Education at SSMC currently offers training programs in the following departments:

Pharmacy

Radiology

Laboratory

Clinical Nutrition

Physiotherapy

Clinical Psychology

Respiratory Therapy

Each allied health department is equipped with cutting-edge technology and staffed by professionals who are committed to providing compassionate, evidence-based care. Our teams work collaboratively with physicians, nurses and other health care providers to deliver a seamless continuum of care that addresses the unique needs of each patient.

We invite you to explore our allied health departments further and discover how their expertise and dedication contribute to our mission of delivering exceptional health care to our community. Should you have any questions or require additional information, please do not hesitate to reach out to our friendly staff.

To apply for training at SSMC, kindly submit your request by scanning the QR code below:
