for a maximum of **6.5 AMA PRA Category 1 Credit(s)**[™].

Welcome Message

Dr. Matthew T. Gettman

Dr. Deanne Kashiwagi

Dr. Abdulmajeed Zubaidi

Dear Colleagues,

On behalf of the scientific and organizing committees, it is our honor and pleasure to welcome you to the **3rd Annual Complex Care at SSMC in Partnership with Mayo Clinic: A Case-Based Approach**. The conference will offer a hybrid format (in-person and virtual) and will be held on Nov. 11, 2023 at SSMC, Abu Dhabi, UAE.

We are excited for this state-of-the-art event designed to provide an in-depth overview of the SSMC Model of Care that focuses on integrated, team-based and patient-centered care for patients of all ages with serious and complex medical needs. This conference highlights case studies from SSMC with dedicated sessions on neonatal and pediatric medicine, internal medicine, maternal and women's health, and surgical care. Cases will demonstrate how the multidisciplinary approach at SSMC coupled with technological advances and innovation is optimizing the care we provide.

The conference will offer opportunities to explore breakthroughs in clinical practice, share creative and stimulating ideas, make valuable connections, and obtain inspired perspectives from all members of the multidisciplinary course faculty. As an academic medical center in the UAE, cases will also highlight key aspects for broader opportunities in education and research. The conference will also serve as a springboard for collaboration and is integral to the SSMC culture that aspires to integrate, connect, learn and deliver to achieve service excellence and deliver trusted quality.

The scientific committee has developed an exciting one-day program that will feature SSMC faculty and faculty from our parent organization, Mayo Clinic. A variety of presentation formats will be used including in-depth case discussions and "rapid-fire" formats. In addition, the conference will include two keynote presentations that highlight the state-of-the-art care that is being provided every day at SSMC.

This unique event will provide outstanding opportunities for networking as well as innovative learning experiences. Attendees will get to learn about best practices in the field from experts at SSMC and Mayo Clinic. We hope this unique learning opportunity will help you gain perspectives that will expand your knowledge and motivate you to improve and enhance the care you deliver to your patients on a daily basis.

We wish you a very productive and successful conference.

Shukran!

Dr. Matthew T. Gettman
Chief Medical Officer
Sheikh Shakhbout Medical City,
Abu Dhabi, UAE

Dr. Deanne Kashiwagi
Deputy Chief Medical Officer;
Consultant and Chair,
Division of Internal Medicine,
Sheikh Shakhbout Medical City,
Abu Dhabi, UAE

Learning Objectives

Upon participation in this educational activity, participants will be able to:

- Gain insight into unique and complex case studies from various medical and surgical subspecialties at SSMC.
- Review the latest updates related to the management of rare, serious and complex cases within the context of an integrated multispecialty model of care.
- Share knowledge, expertise, and best practices with other health care professionals to better serve the needs of the patients with the most complex and serious illnesses.

Key Features

- In-depth case discussions and “rapid-fire” presentations.
- Keynote presentations that highlight the integrated, multispecialty care.

Target Audience

- All health care professionals in the UAE and the region.
- Practicing physicians, nurses, allied health professionals and other health care professionals who want to learn the up-to-date information on complex cases in various specialties.
- Residents, students, interns and fellows are also welcome.

Accreditation Statement

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity is planned and implemented by Mayo Clinic College of Medicine and Science and Sheikh Shakhbout Medical City. Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Statement

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of **6.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Scientific Program

TIME	TOPIC	SPEAKER
8:40 - 8:45 a.m.	Welcome and introduction	Dr. Matthew Gettman
8:45 - 8:50 a.m.	Opening remarks	Dr. Naser Ammash
8:50 - 9 a.m.	Honorary Guest Speaker : The importance of the DoH strategic plan in assisting health care institutions and the collaborative efforts with SSMC in putting these goals into action	H.E. Dr. Aisha Al Khoori
9 - 9:20 a.m.	Keynote 1 : Evolution of IBD care at SSMC from IBD clinic to IBD center	Dr. Talha Malik

Session 1: Child Health

Moderators: Dr. Ahmed Al Maazmi, Dr. Salma Elkhabier, Dr. Asma Deep

9:20 - 9:35 a.m.	The dilemma of gender assignment and re-assignment in disorders of sex differentiation	Dr. Asma Deeb
9:35 - 9:50 a.m.	Can't be more complex: Juvenile systemic lupus erythematosus, macrophage activation syndrome and neurological events	Dr. Shima Yasin, Dr. Ikram Shaalan, Dr. Khulood Khawaja,
9:50 - 10:05 a.m.	Successful thoracoscopic excision of pleuro-pulmonary blastoma masquerading as a lung cyst in a five-month-old baby	Dr. Iftikhar Jan Suleman
10:05 - 10:20 a.m.	Panel discussion and Q&A	
10:20 - 10:30 a.m.	Coffee break	

Session 2: Internal Medicine

Moderators: Dr. Seema El Khider Nour, Dr. Imad ElKebbi , Dr. Saeed Al Marzooqi

10:30 - 10:45 a.m.	Lymphocytic hypophysitis mimicking a pituitary tumor during pregnancy	Dr. Imad Elkebbi, Dr. Yousif AlHashemi, Dr. Omar Khaddam, Dr. Muhieddine Seoud
10:45 - 11 a.m.	Challenging, life-threatening, but curable wide complex tachycardias	Dr. Mario Njeim, Dr. Michael Attia
11 - 11:15 a.m.	Two paths, one goal: Defying the odds of rare and inoperable abdominal aortic aneurysms	Dr. Mohamed Baguneid
11:15 - 11:45 a.m.	Rapid fire cases: An unusual case of proteinuria A case of fever of unknown origin in a young male 52-year-old with right lower back pain	Dr. Imran Zahid Dr. Wala Kamal Hamed Dr. Robert Swaka
11:45 a.m. - 12 p.m.	Panel discussion and Q&A	

Session 3: Women's Health

Moderators: Dr. Muhieddine Seoud, Dr. Manal Elredy, Dr. Shahad Mahmoud

12 - 12:15 p.m.	Management of hydatid disease in pregnancy	Dr. Mehnaz Khan Dr. Rabih Chahine
12:15 - 12:30 p.m.	Arrhythmogenic cardiomyopathy	Dr. Reem Mohyeldin Dr. Muhieddine Seoud
12:30 - 12:45 p.m.	Thrombotic thrombocytopenic purpura (TTP) in pregnancy	Dr. Shraddha Khandelwal Dr. Rabih Chahine
12:45 - 1 p.m.	Panel discussion and Q&A	
1 - 1:45 p.m.	Lunch and prayer time	

Scientific Program

TIME	TOPIC	SPEAKER
1:45 - 2:05 p.m.	Keynote 2: Our experience in the management of hearing loss: 15 years of cochlear implant surgery in the UAE	Dr. Mondy Hammad
Session 4: Surgery Moderators: Dr. Amal Suhool, Dr. Mohamed Baguneid, Dr. Colin Maciver		
2:05 - 2:20 p.m.	Deep seated posterior orbital tumour	Dr. Habibullah Eatamadi Dr. Ohood Almazrouei, Dr. Collin Maciver,
2:20 - 2:35 p.m.	78-year-old female with periampullary mass (robotic case)	Dr. Ayman Ahmed Elsayed Ahmed
2:35 - 2:50 p.m.	Complex skull base and cerebrovascular cranial surgery: A team-based approach	Dr. Salem Al Harthi Dr. Tarek Rayan
2:50 - 3:05 p.m.	Panel discussion and Q&A	
3:05 - 3:15 p.m.	Coffee break	
Session 5: Surgery Moderators: Dr. Joy Dowden Hughes, Dr. Salem Al Harthi, Dr. John Devine		
3:15 - 3:30 p.m.	Mixed Reality, 3D planning and surgical navigation in the treatment of head and neck cancer	Dr. Colin Maciver Dr. Mohammed Qureshi Dr. John Devine
3:30 - 3:45 p.m.	Polytrauma with open femur fracture and complex knee dislocation	Dr. Mohamed Muath
3:45 - 4 p.m.	Multi-digit replantation and microvascular second toe transfer	Dr. Roderick Dunn
4 - 4:15 p.m.	Panel discussion and Q&A	
4:15 - 4:20 p.m.	Closing remarks	Dr. Deanne Kashiwagi
