## Welcome to Sheikh Shakhbout Medical City's Health Sciences Education Centre

The Health Sciences Education Centre is committed to achieving excellence in the clinical practice of the allied healthcare workforce, at Sheikh Shakhbout Medical City (SSMC) and across the UAE. Our centre was established to revolutionise health education at SSMC, providing robust support for the teaching and learning of our allied healthcare professionals.

Our goals are to foster a supportive, team-orientated environment that facilitates professional development, mentorship, and a culture of continuous learning. By doing so, we empower our staff to meet the evolving needs of SSMC and position them as leaders in their fields.

We aim to become the largest educational hub in the region. Through collaboration with our stakeholders, we will enhance community health and establish ourselves as a centre of excellence in education, research, and clinical care.

**Our allied health departments** play a crucial role in patient care and overall wellness. Staffed by highly skilled specialists, these departments span a wide array of healthcare disciplines, working hand-in-hand with our medical teams to provide comprehensive care and improve patient outcomes.

The Health Sciences Education Centre at SSMC currently offers training programmes in the following departments:

Pharmacy

Radiology

Rehabilitation

Clinical Nutrition

Clinical Psychology

Medical Laboratory

Respiratory Therapy

Emergency Health Services

Each allied health department at SSMC is equipped with state-of-the-art technology and staffed by professionals dedicated to delivering compassionate, evidence-based care. Our teams collaborate closely with physicians, nurses, and other healthcare providers to ensure a seamless continuum of care, all tailored to the unique needs of each patient.

We invite you to explore our allied health departments and learn how their expertise and commitment contribute to our mission of providing exceptional healthcare to our community. If you have any questions or need additional information, please do not hesitate to reach out to our friendly staff.

To apply for training at SSMC, kindly submit your request by scanning the QR code below:
